## FALCON 900

Whether you are taking the family on a luxury holiday, loading up the golf clubs for a business trip or traveling overseas to close the deal of a lifetime - the French designed Dassault Falcon 900 will exceed all expectations.

With a cruise speed nearing 800 km/h and a range of over 7,000 km, this jet can fly anywhere in the Asia Pacific region. It can however, still travel into Australia's regional airports. Its three engines provide unparalleled safety and incredible performance, with the cabin remaining whisper-quiet in flight.

The Falcon 900 features a stand-up cabin, side-facing couches, fully stocked bar, full galley and an in-flight entertainment system. As well as an on board restroom, spanning the entire width of the cabin.

This particular aircraft is appointed in high quality cream & charcoal leather seating, accommodating up to 15 passengers in total comfort and style. Each seat is able to fully recline and rotate, with the lounge having the ability to be converted into a bed for longer journeys.

# FEATURES & BENEFITS

## COMFORT

A whisper quiet stand-up cabin featuring multiple zones including separate dining and sleeping areas.

## WI-FI

Connect to the internet via your Wi-Fi enabled device.

## SAFETY

The peace of mind that comes with an aircraft with three engines, especially over water.

## RANGE

Capable of flying direct routes from Australia to anywhere in the Asia-Pacific region.

## IN-FLIGHT ENTERTAINMENT

A selection of the latest movies, TV series, documentaries and print magazines available on all flights.

## IN-FLIGHT DINING & BAR

Enjoy our selections of gourmet food, snacks and a selection of award winning wines, spirits and beers.

## SATELLITE PHONE

Stay connected with your business, family & friends throughout the entire flight.

## LUXURY AMENITIES

Sleep soundly with soft beddings & refresh with luxury skincare products.
